F1 student visa interview in English

1. Greet the officer and hand over your papers

May I see your passport and your I-20?	Here you are.

2. Say which university and program

Which university will you attend?	The University of Ohio.
What will you study?	Computer science. It's a two-year master's.
What did you study before?	Engineering. I finished my degree last June.

3. Say why you chose them

Why did you choose this university?	It has a strong data lab, and a professor there works on my topic.
Why do you want to study this program?	I like data, and I want to learn more than my first degree taught me.
Why do you want to study in the United States?	The program I need is here, and the labs are very good.

4. Say who pays for your studies

Who is paying for your studies?	My parents. Here are their bank statements.
Do you have a scholarship?	No, I don't.
What do your parents do?	My father owns a small shop. My mother is a nurse.

5. Say what you plan to do after your studies

What are your plans after you graduate?	I plan to go back and work as a data analyst.
Do you have family in the United States?	No, I don't. My family is at home.
