Talk about movies and music in English

1. Say what you watched or listened to last

I watched a Korean comedy last weekend.

I've been listening to the same jazz album all week.

I watched a comedy last night.

I'm watching a series about doctors.

I listened to a new album this morning.

I saw an old horror movie with my cousin.

2. Say what it is about, with no spoilers

It's about two brothers who open a bakery. Everything goes wrong.

It's slow and quiet. The songs are about the sea.

It's about a family with a restaurant.

It's a love story, but it's also really funny.

The singer sings about leaving her hometown.

I can't tell you more. No spoilers!

3. Say what you thought of it, and recommend it or not

I loved it, but the ending was a little sad.

I played it ten times. It's great for cooking.

I loved it. I think you should watch it.

It was boring, to be honest.

The ending was really sad.

You'd like it. It's your kind of music.

4. Suggest something to watch tonight

Let's watch something funny. Not too long.

Let's put on some music. Something calm, not loud.

No scary movies, okay? How about a cartoon?

You choose the first song, and I'll choose the next one.

How about a comedy?

Let's watch something light and funny.

I don't mind. You choose.

Okay, deal. I'll bring the popcorn.
